DE-AGING SALTMOUSSE

This aromatic De-Aging Saltmousse delivers an aroma-sensory experience. Its fluffy lather removes impurities and toxins by gently polishing your skin. DE-AGING BODY BALM

Seductively rich and creamy, the De-Aging Balm awakens the senses with its delightful aroma and silky texture. Formulated with microemulsified Shea Butter, it is also enriched with Collagen and Elastin Polypeptides, Tegospheres with Retinol, Pomegranate, and other anti-aging tropical fruit extracts. The skin is wonderfully replenished and visibly repaired. Ideal for all skin types.

DE-AGING MIST

Awaken and infuse your skin with a refreshing boost of hydration any time of day or during outdoor activities. De-Aging Mist offers a precise blend of tropical fruits including Pomegranate, combined with Hyaluronic Acid, Aloe, Chamomile, Panthenol, Calendula, and other natural ingredients.
